BENDEMEER PRIMARY SCHOOL

25 Mar 2026

Dear Parents/Guardians,

Strategic Plan 2026–2028: Partnering for Your Child's Future

We are happy to share our Strategic Plan 2026–2028 as we celebrate the completion of the Customised Validation process last year. The milestone process affirmed our strong foundations, highlighted promising practices such as IGNITE and Modular CCA programmes and guided our direction forward.

While our vision, mission, and values remain unchanged and anchor everything we do, there is a new and sharper focus on preparing every child to thrive in a rapidly evolving world: developing them as holistic, future-ready learners.

We are grateful for the valuable input from our parent support group, alumni, students, and teachers as we shape the plan. Together, we identified three key areas of focus: developing holistic future-ready learners in a positive and enabling environment, empowering our dedicated staff, and sustaining valuable partnerships with you and our community.

Through this, we aspire to nurture Bendemeer students who graduate as:

- Gracious Community – active contributors and builders of inclusive communities
- Passionate Learners – responsible decision-makers, problem-solvers, and reflective thinkers
- Confident Leaders – effective communicators, empathetic peers and collaborative team players

We remain committed to bringing out the best in every child. Grounded in strong character and citizenship, we will nurture student agency and provide leadership opportunities for all. By integrating 21st Century Competencies into daily learning experiences and using technology meaningfully, we aim to equip our students for life beyond school.

We invite you to partner with us on this journey. Together, we will nurture confident leaders who contribute positively to their communities, and we look forward to celebrating your child's growth and achievements with you in the years ahead.

Thank you

Warmest regards,

Mrs Tan-Lim Kim Gek
Principal
