2. Class Dojo

We hope you have received the teachers' invite to join Class Dojo. If you have not, please scan your class's QR code below to sign up. Please do come on board as through Class Dojo, teachers will be able to give you timely reminders as well as update you on your child's progress regularly. However, we seek your cooperation to adhere to the following guidelines:

- Class Dojo is not a platform for teachers to update homework on a daily basis. We would like to inculcate in your child the value of responsibility by encouraging them to write down their daily homework in their handbook
- Teachers will not be able to respond to you immediately as they can be in class. The channel is open from 7am to 5pm, Mondays to Fridays. For any messages after 5pm, we seek your understanding to allow the teachers to reply you within the next 2 working days. Please give teachers at least 2 days grace to respond to your query. If you have any urgent query, you may email the teachers directly.
- In line with the Personal Data Protection Act (PDPA), please take note that the photos posted in Class Dojo are meant for your viewing only. Please do not circulate the photos to other social media platforms to protect our students' privacy.

We look forward working closely with you to help bring out the best in your child.

| | | |
|--|--|---|
| 1 Adaptability  | 1 Empathy  | 1 Integrity  |
| 1 Passion  | 1 Resilience  | 1 Self-Discipline  |

Yours sincerely,
2023 Primary 1 teachers
