

BENDEMEER PRIMARY SCHOOL

25 Jan 2023

Dear Parent / Guardian,

As part of the ongoing enhancements to school security, we will be installing Full-Height Turnstiles (FHT) at Gate A and Gate H.

The installation at Gate H is currently in progress, while installation at Gate A will be scheduled at a later date. If you are using Gate H during this interim period, please use the side entrance as the FHT is not operational yet (reference below picture).

More information on the use of these turnstiles will be available nearer to the completion dates. Thank you.

Yours sincerely,

Mrs Tan-Lim Kim Gek
Principal
